# HBADE Member Rebate Program

[www.HBArebates.com](http://www.HBArebates.com)

What would you think if you could get a rebate for your loyalty to many of the nation's leading housing industry Manufacturers? Well, now you can regardless of your volume!

We're happy to introduce the HBADE Member Rebate Program, a free member benefit, aimed at increasing your bottom line. For the minimal effort of informing us about the products you use, and telling us when you close on a home or project, you'll be putting money back in your pocket.

When you participate in the HBADE Member Rebate Program, every home you build can earn you rebate checks! Remember, both Builders AND Remodelers qualify for the HBADE Member Rebate Program. Over 70% of the Builders & Remodelers who participated last year received back in rebates more than they paid in annual dues to the Association!
