HBADE Member Rebate Program

www.HBArebates.com

What would you think if you could get a rebate for your loyalty to many of the nation's leading housing industry Manufacturers? Well, now you can regardless of your volume!

We're happy to introduce the HBADE Member Rebate Program, a free member benefit, aimed at increasing your bottom line. For the minimal effort of informing us about the products you use, and telling us when you close on a home or project, you'll be putting money back in your pocket.

When you participate in the HBADE Member Rebate Program, every home you build can earn you rebate checks! Remember, both Builders AND Remodelers qualify for the HBADE Member Rebate Program. Over 70% of the Builders & Remodelers who participated last year received back in rebates more than they paid in annual dues to the Association!

SUPPORT YOUR FELLOW MEMBERS!

Doing business with a member makes us all stronger. Next time you need someone to work on a project, check out our members on the website.

Every member of our association is listed on the website under "Membership Directory".

So before you contract that project, check out our member list on www.jacksoncountybuilders.com or call Susan at 706-367-0611 to confirm your contractor is a member- the future of your business may depend on it.
